Peter Robinson >>>>>>>>>>

Later, during his Report, the Chairman, John Royle, presented Peter with **The Ron Smith Cup** which was donated to celebrate creativity in photography. Peter was chosen because in his many years of membership he has consistently produced images each year which make you sit-up. His undoubted talent for this has been in evidence since the start of his membership and he's just got better and better.

John also made his own presentation, that of "Chairman's Choice". This award considers a broader view to success in competitions, it may be in recognition of blossoming talent, originality which doesn't necessarily gain recognition in competitions or a special contribution to the club. This year he awarded it to **Dolores Williams**. Dolores has demonstrated her photo skills amply enough, with several images which had the qualities to be selected for use in our inter-club competitions, but she also took the initiative to produce and sell Christmas Cards as a fund raier and presented the club with the profit, over £70! She has also been one of the major contributors to the website Forum and through that helped the club a great deal. We are very pleased that she has agreed to join the Committee next season.

Again during his report to the club John drew attention to the valuable work that **Ian McNab** has done for us in designing and constructing the website. This elegant beast now presents a view of us to the World which we can be very proud of and it is also a great resource for members, having the Forum, Galleries, Club information, useful links and all the competition results.

Ian was presented with a medal for his services to the club.
