

Crewe PS & The PAGB Great British Cup 2021

This year the PAGB abandoned the small clubs section of the competition. It is to be hoped that this was only a temporary arrangement because of the pandemic but it certainly discouraged us from entering.

The Nature section, however, has always been on a more individual basis and we have always asked members to make an entry if they wish.

This year 2 members entered a total of 8 images. Here are their results:-

| | | |
|----------------|-------------------------|----|
| Keith Mulliner | Mute Swan | 9 |
| Keith Mulliner | Inquisitive Fawn | 9 |
| Keith Mulliner | Red-Winged Starling | 11 |
| Keith Mulliner | Rutting Stag | 10 |
| Wallace Baxter | Crested Tit | 13 |
| Wallace Baxter | Sedge Warbler | 11 |
| Wallace Baxter | Red Squirrel Feeding | 9 |
| Wallace Baxter | Puffin with 12 Sandeels | 10 |

13 is often the minimum score which is looked at for a possible award, but none was made. Nonetheless a good showing.

Our performance overall looks very poor, at 99th place, but 12 images are required for a club score, so we should not really even appear on the list! They always do this!
