For the 21-22 season the HET (= Howard Edwards Trophy) was not a contribution to the PotY Award.

Theme is *Movement* in 2021/2 (where best result gives score C). PotY=A+B+C

The Lockdown League replaced the print league as Covid-19 made print work impossible (so no annual competition in this case)

Only members who made a sufficient number of entries to qualify for any of the above scores are included.

V2 = Movement and HET added, PotY calculated
